CREATING THE FUTURE FOR BOARDING SCHOOLS

HELLO FROM ABSA

Dear Leaders,

We are very excited to welcome you to our first ABSA Boarder Leadership Conference. Boarding is a very unique and special environment and will hopefully be a place where you build life-long friendships and many life skills which will hold you in good stead for the future. This conference is designed to assist you in your boarding leadership role to help create a better environment for your fellow boarders.

The conference will have a range of collaborative lecture style sessions to ensure practical leadership skills and plans can be taken away and used within the boarding setting. ABSA have engaged Burn Bright who are experts in running engaging and impactful leadership programs for high school students to jointly host this conference.

Through experiential learning and inspirational team leadership from keynote speakers and practical sessions with the engaging youthful team at Burn Bright, our aim is for you to leave confident and with the knowledge about how to lead in a boarding setting.

Richard Stokes
CEO, ABSA

CREATING THE FUTURE FOR BOARDING SCHOOLS

HELLO FROM BURN BRIGHT

Dear Delegates,

Welcome to the 2021 ABSA Boarder Leadership Conference!

We are beyond excited that you are joining us. In partnership with the Australian Boarding Schools Association, it is my greatest pleasure to officially welcome you to the conference.

As leaders in your schools and communities at large, we trust the Boarder Leadership Conference will be an experience that will allow you to continue to grow as individuals and as leaders.

Our hope is you will feel more connected to your vision, who you are, and where you want to go in the future. Be ready to share, dream, encourage and reflect as we journey together for what will be a great day.

In this pack you will find all the information you will need to prepare for the conference. Please familiarise yourself with the program and key requirements.

On behalf of Burn Bright, thank you!

Andy Skidmore
CEO, Burn Bright

BURN BRIGHT 101

Burn Bright is a social enterprise, not-for-profit organisation, that was established in 2014.

At Burn Bright we encourage, challenge and develop students through tailored experiential leadership, wellbeing programs, digital programs and national camps. We are student leadership and wellbeing specialists who work with students from Year 5 to Year 12 in a collaborative, fun and inclusive team culture. This brings about positive behavioural change, a shift in mindset and personal wellbeing, allowing students to make informed choices and decisions.

We have a team based in Sydney who travel to all parts of Australia to work with young people and partner with schools on a daily basis.

The acquired leadership behaviours, wellbeing habits and character traits help build meaningful, healthy and positive long-lasting skills and friendships that will continue beyond the school years.

In short, Burn Bright provides the fuel and the spark that ignites the potential within every student, leading to enhanced self-efficacy and a heightened sense of personal wellbeing.

For more info, and to check out what we do, head over to our website via the button below.

NEXT?

THE PROGRAM

WELCOME FROM ABSA AND BURN BRIGHT (15 minutes)

KEYNOTE SPEAKER - INSPIRATIONAL LEADERSHIP -A PERSONAL STORY

Hayden McEvoy, Founder at A Team Tuition (30 minutes)

BURN BRIGHT WORKSHOP #1 *BUILDING FOUNDATIONS FOR LEGACY LEADERSHIP*

Leadership foundations - we all have them, but how strong and effective are yours? In this collaborative workshop, Burn Bright will explore what makes you you, and how to leverage these traits to shape the leader you want to be known and remembered for. (20 minutes)

KEYNOTE SPEAKER - HOW TO LEAD PRACTICALLY IN A BOARDING SETTING

Sue Newton, General Manager at Opal Healthcare
(former Head of Boarding) (30 minutes)

BURN BRIGHT WORKSHOP #2: *TURNING LEADERSHIP INTO REALITY*

Putting our vision into action can be daunting at times, however, it doesn't have to be. In this collaborative workshop Burn Bright will use the foundations built in Workshop #1 to create a plan for turning it all into reality. (30 minutes)

LUNCH - (30 minutes)

Welcome Back from Burn Bright - (15 minutes)

KEYNOTE SPEAKER - VISION FOCUSED LEADERSHIP -TRANSFORM THE FUTURE

Daniel Abrahams, Director
Transformer - Bond University (30 minutes)

BURN BRIGHT WORKSHOP #3: *SETTING A SUCCESSFUL VISION*

What is vision? How do we set ourselves a vision? How do we set ourselves a vision that is going to be successful? In this collaborative workshop Burn Bright will explore the elements of a successful vision and provide students with the tools to set a short term goal (6 months) and a long term goal (12 months).

We recognise that the journey to achieving vision isn't linear and requires more than aspiration to be successful. We believe accountability is a major contributor to success; students will have the opportunity to connect and share their vision with others, to ensure a support network in achieving their goals. (25 minutes)

WRAP UP AND GOODBYE

LEADERSHIP

KEYNOTES

W

HAYDEN MCEVOY

It is Hayden's vision to redefine the Australian education system by providing students with the untapped secrets of high performing students in a whole-scale attempt to improve theirs and ultimately societies prospective capabilities.

A Team Tuition Pty Ltd was created as a movement in education, rather than a tutoring organisation. The company has grown from himself teaching students how to become high performers in 2010 to an army of 177 high performance tutors transforming 1000s of students lives across Australia. A Team Tuition's 2020-2025 strategic plan is to expand Australia wide across 20 key cities to provide all students the opportunity to succeed within school.

Daniel has proven leadership, finance, strategy, execution, risk management and governance credentials across a wide variety of industries, including leading a successful technology start-up to IPO. He has worked in transport, financial services, energy, rail and telecommunications infrastructure in senior roles, and continues to deliver beyond expectation. Daniel has a proven track record in transforming an organisation's culture by focusing on formulating, designing and executing strategy. His work at Energex and Aurizon is legendary. At Aurizon, he led the formulation of the board risk appetite and influenced a change in culture from risk aversion to risk taking, and oversaw organisational transformation.

DANIEL ABRAHAMS

SUE NEWTON

Sue has 15 years' experience in the Australian and New Zealand education sector leading boarding communities, recently transferring to leading an Aged Care Community in Newcastle, NSW.

Sue holds qualifications in Comprehensive Nursing, complimenting a Master's in Business Administration. Sue is passionate about wellbeing, mental health, leadership and strategic culture development.

MORE INFORMATION

Due to the conference being facilitated online, there are some specific technology and spatial requirements in order for the conference to run smoothly. Here is more detail in complement to the above.

COMPUTER REQUIREMENTS

A laptop or desktop computer is preferred (either Mac, Windows or Chromebook).

- Apple computers: minimum of macOS Catalina is required.
- Windows computers: minimum of Windows 10 is required.
- Chromebook computers: latest operating system is required.

Your computer is required to have a functioning **webcam** and functioning **microphone** or the ability to connect a microphone (through headphone etc). All delegates require a pair of headphones which are to be worn during all sessions.

As a last resort an iPad may suffice however this will make the experience more challenging. All iPads must have IOS 14.0.1 as a minimum.

SPACE REQUIREMENTS

During the conference it is important that all students have an appropriate space to view and participate in the conference. As ABSA delegates, you are asked to be in a room that gives you the ability to have conversations without being interrupted, is well lit so that you can be easily seen and has enough floor space to move around comfortably (for example, space to do a star jump or push-up). Delegates are asked to be positioned at a desk or table throughout the conference and be on their own device. I.e please, no device sharing as we would like to interact with students equally from their own platform.
